Company Profile

01 Introduction

Imaxtel Intl General Trading Co. W.L.L is a Kuwait-based general trading company specializing in the import and distribution of high-quality Fast-Moving Consumer Goods (FMCG). **Since its establishment in 2010**, the company has built a strong reputation for reliability, quality products, and efficient supply chain management.

With over a decade of experience in the industry, Imaxtel sources products from global markets including **UAE, Philippines, Thailand, Vietnam, Singapore, India and Poland** ensuring a diverse and premium product portfolio for customers across Kuwait.

Our commitment is to deliver quality products, dependable service, and strong partnerships, supporting businesses and communities with products that meet international standards and customer expectations

Delivering trusted FMCG products through global sourcing and reliable distribution

02 Core Values

Our Values

At **Imaxtel Intl General Trading Co. W.L.L.**, our values define the way we conduct business and build long-term relationships with our partners and customers. We are committed to maintaining the highest standards of integrity, delivering quality products, embracing innovation, and promoting sustainable practices across our operations. These core principles guide our decisions and drive us to continuously improve while creating lasting value for the communities we serve

Our Mission

Our mission is to source premium products from trusted global suppliers and distribute them efficiently through a strong supply network, while maintaining the highest standards of quality, reliability, and customer satisfaction.

Our Vision

To become a leading global trading company in the FMCG sector, recognized for delivering high-quality products, reliable services, and innovative solutions while building strong partnerships across international markets.

03 Our Group of Companies

What We Offer

At Imaxtel Intl General Trading Co. W.L.L, we specialize in importing and distributing high-quality FMCG products from trusted international markets. Our focus is on delivering reliable supply, diverse product selections, and efficient distribution solutions to meet the evolving needs of businesses and consumers

	Global Product Sourcing	Importing quality products from trusted international markets.
	Wholesale Distribution	Providing bulk FMCG products to retailers and businesses
	Diverse Product Categories	Food & beverages, personal care, household products, and health items
	Efficient Logistics Network	Ensuring timely and reliable product distribution

Our Key Divisions

Imaxtel Intl General Trading Co. W.L.L serves as the parent company overseeing a group of businesses operating in the FMCG sector.

Through its divisions and subsidiaries, Imaxtel manages product sourcing, import operations, distribution, and retail activities across Kuwait

Our Key Divisions-

Malabar Food Stuff is a key wholesale division of Imaxtel Intl General Trading Co. W.L.L, serving as an important hub for the distribution of grocery and FMCG products in Kuwait. Located in the Shuwaikh Industrial Area, the store focuses on supplying a wide range of food and grocery items to retailers, restaurants, supermarkets, and catering businesses.

To support efficient logistics and timely product delivery, Malabar Food Stuff operates a dedicated fleet of delivery vehicles. The division currently maintains 5+ delivery vehicles, **including vans and half lorry, which enable smooth transportation of goods across different locations in Kuwait**

This fleet plays a vital role in ensuring fast, reliable, and organized distribution, **allowing the company to handle bulk orders, maintain consistent supply to retailers and businesses,** and meet customer demands with efficiency.
